Thank you for informing the Competent Authority of the details of ***Manufacturers*** **Name:- VivaChek Biotech (Hangzhou) Co., Ltd.** located at **Manufacturers Address:- Level 2, Block 2, 146 East Chao Feng Rd, Yu Hang Economy Development Zone Hangzhou, Zhejiang China 311100** for whom you are acting as the authorised representative and for supplying the medical device information.

Your registration has been recorded based on your declaration that you have determined that the device(s) fall within the definition of "in vitro diagnostic medical device", and that you have classified it/them correctly considering the intended purpose(s) and mode(s) of action. In accepting your registration, I should make clear that the Competent Authority does not examine each individual notification and therefore cannot and does not necessarily endorse these determinations. Your registration is based upon the declaration submitted on online via the Devices Online Registration System (DORS) and means that you should now be operating under the In Vitro Diagnostic Medical Devices Directive and the 2002 Regulations for the products you asked us to register, by fully complying with the essential requirements, CE marking those products or labelling them as such.

If you stop placing devices on the market or if you are not complying with the Regulations you should inform us as required by the Regulations. You should be aware that it is an offence to place on the market CE marked devices that do not comply with the Regulations.
